

Ecoles de Jeunes Entrepreneurs Européens

Erasmus+

This project is funded by the European Union.

II SS. Galileo Galilei

The institute was founded on 1 October 1954 with business and surveyor specializations.

In 1977 it moved to a new site.

In recent years new specializations were added.

OUR SPECIALIZATIONS

From 1954 to 2012 the specializations were:

- A.F.M: Administration Finance and Marketing
- C.A.T: Building Environment and Territory

Since 2012 there are new specializations:

- R.I.M: International relations for Marketing
- S.I.A: Informative business system
- I.P.A: Professional Institute for agriculture
- Tourism

A.F.M.

AMMINISTRAZIONE

FINANZA

MARKETING

This specialization gives knowledge in economics, law, languages and IT skills. It is suitable to people who want to work as accountant for a business.

C.A.T.

COSTRUZIONE

AMBIENTE

TERRITORIO

This specialization gives
students competences in
planning houses.

Besides, students can try to get a
job as surveyors.

R.I.M.

RELAZIONI

INTERNAZIONALI

MARKETING

In this kind of
specialization, students
study three foreign
languages: English,
German and French.

S.I.A.

SISTEMI

INFORMATIVI

AZIENDALI

In this specialization students deepen their IT knowledge and they can develop softwares.

I.P.A.

In this sector students study subjects such as agriculture and science.

TOURISM

If you attend this type of specialization you can easily find a job in the cultural and travelling world.

This is our Headmaster.
His name is Vincenzo
Fontana.
He is a former English
teacher.
